Re: Bear Fair 2020

On behalf of the ATF Board of Directors and our nearly 1,400 clients with HIV/AIDS, I want to express our most deep appreciation for your generous donation of \$5,522.00 from the 2020 Bear Fair. The generosity of the Roseland community will aid us in assisting many of our clients during this challenging pandemic.

While I did not have the opportunity to personally thank those who worked and donated to this fund raiser, I want everyone to know how much we appreciate the work, the donations and the generosity of the community. The continued support from Roseland will help us assist persons affected by the COVID-19 pandemic and the everyday challenges of living with HIV/AIDS. We will add this donation to our Broadway Cares \$5,000.00 grant to wrap around our federal funding and more fully meet the needs of our clients.

For the last 33 years, the ATF has been in the forefront of the response to HIV/AIDS in West Virginia and the surrounding counties of Ohio and Pennsylvania. As the contractor for the State of West Virginia, for Ryan White Part B funding, we are able to strategically spend the donations to fill in the holes in services not allowed by our federal funders. The 2020 Roseland donation and Broadway Cares grant will enable us to enhance the lives of those that we serve and will aid us in meeting the growing needs we encounter in serving our clients.

Please share our thanks with all who were involved in this year's Bear Fair event. Their energy, enthusiasm, donation of their talents and dollars and their concern for people living with HIV/AIDS is truly inspirational. We are proud to be the recipient of this donation and to partner with Roseland in HIV testing HIV prevention.

*With deepest
appreciation,
Jay*
